2nd ANNOUNCEMENT

7th International Symposium of Soil Physics

17 March 2026

Budapest, Hungary

Organizer:

HUN-REN Centre for Agricultural Research, Institute for Soil Sciences (Talajtani Intézet - TAKI, Budapest)

Co-organizers:

Commission of Soil Physics, Polish Society of Soil Science

Lublin Branch of the Polish Soil Science Society

Hungarian Soil Science Society – Branch of Soil Physics and Soil Mineralogy

Hungarian Academy of Sciences, Division of Agricultural Sciences

Aim of the conference: the symposium's theme is the presentation of the latest soil physics research and methods. The conference focuses on several key topics:

- i) new methods, advances, and technologies for investigating the physical properties of soil;
- ii) soil structure dynamics and soil functions;
- iii) monitoring and modeling soil properties and processes, including water flow, heat transfer, and the transport of various substances (nutrients, pollutants, colloids) in soil;
- iv) the use of these properties and relationships in solving practical and scientific environmental problems.

Language: The language of the conference is English.

Conference venue:

This conference is in a hybrid form; all participants will receive a Zoom link prior to the event.

In-person venue: Kossuth Klub, Múzeum St. 7, 1088, Budapest, Hungary

DEADLINES:

Registration deadline:

On site: March 2, 2026

Online: March 14, 2026.

Abstract submission deadline for ORAL presentation: February 27, 2026;

Abstract submission deadline for POSTER presentation: March 2, 2026;

Expected decision on March 6, 2026.

Abstracts:

Requirements: Please provide a 200-350 word abstract of your planned presentation. Please indicate if you are submitting your abstract to give an oral or poster presentation. The abstract should include the title, the names and affiliations of the authors, a short assessment of the research to be presented, keywords, and acknowledgments if applicable.

Oral presentations should be 12 minutes long with an additional 3 minutes provided for questions and answers.

Please send your abstract(s) to the online abstract submission form (in case of any problem, email horel.agota@atk.hun-ren.hu).

POSTER

Poster presentations will have a special section where all presenters will have 3 minutes to provide a short summary of their research. All posters as a read-only version will be available online during and for a specific period after the symposium (normally 72 hours) for all registered participants.
